The system supports one or more printers on each gaming table, and it provides more details on top of the traditional Baccarat routes. This value-added service facilitates players to obtain the latest and most accurate gaming information in the quickest way.

Our proven system with comprehensive functionalities not only enhances players' gaming experience, it also facilitates as an important step toward casino modernization.

百家樂盤路顯示系統

隨着澳門的賭權開放，娛樂場如雨後春筍般不斷出現，為提高競爭力，本集團于 2005 年開發一套百家樂盤路顯示系統，把現時客人經常使用的盤路包括珠盤、大路、小路、大眼仔及甲由路同時顯示在同一螢光幕上，並可隨時編印路紙。
