Combination

## Phoenix Table Gaming Furniture, Accessories & Design

**Phoenix Gaming** provides a range of gaming furnishings, accessories, design and construction services to the S. E. Asian and international casino industry. We offer unique service whereby our factory management, based in Bangkok, Thailand and the Phoenix executives jointly consult with our clients to ensure that each casino receives specialized products, individually hand crafted to ensure the highest quality and functionality combine with unique design and construction services to make each casino owners' vision a reality.

### *Gaming Tables*

Phoenix Gaming offers a wide range of quality gaming tables. Each table is made to an extremely high standard using local hardwood or teak. Our team of executives oversee the design and manufacturing process. Each table based on standard designs can be altered to suit the client's needs or we can completely redesign a table creating a unique table for your casino.

### *Gaming Furnishings*

Included in our range of products are chairs, pit stands, shuffle tables, slot stools, slot boxes and a range of coffee tables, dining settings and lounges for bar and restaurant areas.

### *Casino Design*

### *Casino Interior Design & Fit-out*

### *Casino Construction*

Phoenix also offers, through our Thailand based construction firm, casino design, fit-out and construction services. Our executives have worked in over fifty different casinos and can work alongside our designer to produce a casino design that will meet all of the clients exacting standards.
